MENTORSHIP

WELCOME

Welcome to the Victor + Valor™ family. We are excited to support you in living the American dream - entrepreneurialism.

As a Victor + Valor™ mentorship member, we want to get to know you, your goals, your business, and your vision. Our job is to support you personally and professionally during this season of expedited growth. With your mentor by your side, you can learn from professionals who have been where you are and are currently living where you want to go.

SCOPE OF WORK

Mentorships are designed to be supportive “big sibling” style relationships where the mentor guides, suggests, and advises the mentee on what could be with regards to their business and goals (personally and professionally.) It is up to the mentee to take any advice and action on the changes they want. It is also up to the mentee to how much support or areas they choose to cover. The mentor is their guide and offers advice and resources, and is a sounding board for you.

F A Q

01

What are your goals for our mentoring relationship?

Our goal for the Victor + Valor™ mentorship program is to be that big business brother or sister for our mentees. Our mentors are there to guide, listen to, brainstorm, and share their life and business lessons with their mentees. In doing this, our mentees will be on an accelerated growth trajectory and have a solid support system for themselves and their brands.

02

What is the time commitment?

You will meet with your mentor at least twice a month for one hour via Zoom. We ask for mentors and mentees to commit to at least 6 months together so that both can see results from their investment.

03

What if I miss a meeting?

Missing a meeting is not ideal, but we understand that it happens. Please notify your mentor asap and work to reschedule the meeting. If you miss more than 2 meetings with your mentor or give less than 24-hour notice to the cancellation, you can be removed from the mentorship program and, in turn, any other services associated with the mentorship program.

04

Are there rules for the mentorship program?

All rules for the mentorship program can be found at <https://victorvalor.org/mentorship>.

05

What about confidentiality?

Yes, confidentiality for both the mentor and the mentee is essential. What both parties agree on when it comes to confidentiality can be found at <https://victorvalor.org/mentorship>.

POLICIES

More specifics of our mentorship policy can be found at <https://victorvalor.org/mentorship>

Outside of the membership site, mentorship communication and resources occur in your private slack channel. An invite link will be sent to you separately via email.

TIMELINES

Mentors and mentees meet twice a month at the agreed-upon day and time that works best for both schedules. Because consistency and accountability are the bedrock of a great working relationship, we request that cancellations only occur in rare and dire circumstances.
